This product quickly removes soap scum, grease, watermarks, hard water deposits and stains without scrubbing. Calcium and lime deposits are removed with ease. It effectively cleans sinks, tubs, shower doors, fixtures, tile, porcelain, baked enamel, fiberglass, chrome and stainless steel. This non-abrasive formula will not scratch or harm these surfaces.

Application: Use impermeable gloves, safety glasses and proper ventilation. Before use, spot test surfaces in an inconspicuous area. Use as is. Spray 6-8 inches from surface. Allow to penetrate for few seconds, then wipe with a damp cloth or sponge. Repeat procedure if needed. Neutralize and remove thoroughly by rinsing or wiping. Do not mix with other chemicals. Do not use on concrete, wood, marble and other sensitive surfaces.

Este producto rápidamente quita residuos de jabón, grasa, marcas de agua, depósitos minerales y manchas sin frotar. Los depósitos de calcio y minerales son removidos con facilidad. Limpia efectivamente lavabos, bañeros, puertas de la regadera o ducha, accesorios, baldosa, porcelana, esmalte, fibra de vidrio, cromo y acero inoxidable. Esta fórmula no abrasiva no rayara o dañara estas superficies.

Aplicación: Utilice guantes impermeables, gafas de seguridad y ventilación apropiada. Antes de usar, pruebe este producto en un lugar poco visible para ver resultados. Use como es. Rocíe 6-8 pulgadas de la superficie. Deje penetrar por unos segundos, después enjuague con un trapo o esponja húmeda. Repita el procedimiento si es necesario. Neutralice y quite completamente por medio de enjuagar o limpiar.

No mezcle con otros químicos. No use en concreto, madera, mármol y otras superficies sensibles.
